

WHY YOU SHOULD SUPPORT US

We are a non-profit social club, or 501(c)(7), with over 11 years of successful service. Our membership numbers are steadily increasing with new mothers putting down roots in our community.

Our club is funded by membership dues and sponsor donations. We rely on local sponsors so we have the ability to make this club affordable and inclusive for all moms, regardless of economic status.

Sewickley Area Mothers Club is a community-oriented organization and encourages support of local businesses. Through different tiers of partnerships, we offer several ways to help you connect with our members.
